Please print. For assistance in completing this form, or to report any changes in your hazardous waste activity, call the Hazardous Waste Compliance Assistance line at (617) 292-5898.

Every generator of hazardous waste who is generating more than 27 gallons of hazardous waste per month and/or more than 270 gallons of waste oil per month must have a unique, site-specific federal identification number.

All hazardous waste transporters and receiving facilities must also obtain this federal identification number.

You should allow up to three months for the assignment of the number which will be mailed to you by the U.S. Environmental Protection Agency (EPA). While waiting for the official number you may self-assign a temporary number by using the prefix 1 and your 10 digit telephone number (including area code).

Note:

The
Massachusetts
Department of
Environmental
Protection is
authorized by the
U.S. EPA to
administer the
notification
process (310
CMR 30.303(2)).
